

AMENDMENTS TO THE SPECIFICATION

Please replace the last paragraph on page 1 with the following amended paragraph:

For performing this known method it is possible to use trench wall cutters known from DE 34 24 99 999 C2. These known trench wall cutters have a cutting frame and cutting wheels drivable in a rotary manner and are fixed to the underside of said frame. The trench wall cutter is lowered on a cable from a construction vehicle and penetrates the ground as a result of its own weight.

REMARKS

By the foregoing Amendment, the last paragraph on page 1 has been amended to correct a typographical error. This change is believed not to introduce new matter, and entry of the Amendment is respectfully requested.

Conclusion

The application is now believed to be in condition for examination and allowance. Should any questions arise, the Examiner is invited to call the undersigned representative so that this case may receive an early Notice of Allowance.
